**Confidential Health Care Information Enclosed**

Protected health information is personal and sensitive information related to a person's health care. It is being faxed to you after appropriate authorization from the patient/member or under circumstances that don't require patient authorization. You, the recipient, are obligated to maintain it in a safe, secure and confidential manner. Re-disclosure without additional patient consent is prohibited, except as permitted by law. Unauthorized re-disclosure or failure to maintain confidentiality could subject you to penalties described in federal and state law.
